

## AVALON VETERINARY CLINIC

### June Newsletter

Welcome to your June Newsletter, keeping you up to date with all things at Avalon Vets.

#### Staff News

A big Avalon welcome to care assistant Eva Mailer! Eva already knows the practice inside out as she has been attending regularly for work experience since the age of 14!

When not at work Eva likes to spend her time walking with her border collie Tess.

We are also hoping to welcome another care assistant to our team in July, more details to follow.

#### Practice News

We have been looking hard at our **sustainability**, and trying to reduce our carbon footprint. We have made many small changes, which we hope will all add up, for example using paper rather than plastic dispensing bags for medication.

We recently calculated our carbon footprint at 13 tonnes for 2022. We are gathering data from 2021 to try to make a comparison.

Alison and Fiona are our sustainability champions, coming up with ideas for us to improve. We are happy to hear any suggestions.

#### Summer Sunshine

Take care to avoid heatstroke in your pets. Remember to never leave a dog in a hot car and try to avoid the hottest part of the day when walking, especially for brachycephalic dogs.

We have cool mats in stock priced at **£15** so please pop along to pick one up.

## Did you know?

If your pet is in for a vaccination, we will perform a urine test **free of charge!** Please ask us if you need any hints or tips on how to collect a urine sample.

## June Offers
